

Brandywine Valley National Scenic Byway SR92/SR100 Intersection Open House and Charrette Public Events

On behalf of the Delaware Department of Transportation and the Board of Directors of Delaware Greenways, we cordially invite you to participate in public meetings for the Brandywine Valley National Scenic Byway SR 92/SR 100 Intersection Concepts Plan. As a community member, your input is critically needed to successfully define the future of the SR 92/100 intersection and its surroundings. The public meeting series will be held as a 'charrette' style meeting.

Please feel free to drop in during any of the sessions below to learn more about the project and to contribute to a vision for the area. You will have the opportunity to express input of your own, review and discuss the ideas of others, and participate in developing a coherent image of what the intersection and its surroundings should look like in the future.

Kickoff Open House Meeting

Tuesday, March 10
6 p.m. - 8 p.m.

Drop In Session- View Maps and Exhibits

Wednesday, March 11
1 p.m. - 2 p.m.

Closing Presentation

Thursday, March 12
1 p.m. - 2 p.m.

What is a Charrette?

A charrette is a fast-paced, hands-on workshop for a project that brings people from different disciplines and backgrounds together to explore options for a particular area or site. Citizens are able to work with the project team to contribute ideas that will be considered in the concept development process for the intersection.

All events will be held at the Blue Ball Barn, 1914 W. Park Drive, Wilmington, DE

Your participation and input are very valuable to this project and we look forward to hearing from you soon! For more information, please visit the project website at <https://brandywinecss.wordpress.com> or contact jgreene@delawaregreenways.org.
